# Project Guide

Designer: Patti Kehl

Products used:

Flower Flourish die 51-421

Frames die 51-410 and Holiday

Snippets clear set 30-307

## Instructions:

Coloring die cut flowers need not be complicated. Ink white cardstock with one color of ink using an ink blending tool with a foam pad. Apply a heavier application of ink (more layers of ink) towards one end of the die cut and you will instantly have a trendy ombre effect.
