Designer: Patti Kehl

Products used:

Flower Flourish die 51-421

Frames die 51-410 and Holiday

Snippets clear set 30-307

Instructions:

Sometimes clean and simple cards are all about a “pop” of color with a basic background. For a basic background that also has a finished look, layer one white die cut frame near the center of the card. Then add your favorite floral die cut within that frame. Stamp a tiny sentiment and the charming card is complete.
