

Penny Black

# Project Guide

Designer: Judy Jung

Products used:

30-460 Perspective clear set

51-416 Stitched Stackers die

51-437 Glasses Die

## Artist Notes:

The bright and cheery background for this card was made using Memento Luxe inks applied with a blending tool, and then cut to size using the [Stitched Stackers die set](#). I decorated the [Glasses](#) with a few rhinestones just to make them special. The sentiment from the [Perspective](#) transparent set takes center stage here even though the spectacles are a great size, too. Hmmm, maybe my next pair of glasses should include some bling..
