

Penny Black

Project Guide

Designer: JUDY JUNG

Products used:

51-443 Art Deco Window die

40-611 Singsong Cling

51-416 Stitched Stacker die

30-358 Happy Snippets clear set

Artist Notes:

There is no limit to the scenes you can place behind the [Art Deco Window](#) or in front of it if you want an indoor view. I love that style window and would enjoy a house built around it. I colored the [Singsong](#) image with Copics and added a sentiment stamped onto the smallest die in the [Stitched Stackers](#) die.
