Artist Notes:

Birgit's Watercolor Design Details: To create her watercolor cards, Birgit uses Waterford High White HP watercolor paper. For stamped outline-style images, she stamps them using Archival ink and then paints them in. If they are fussy cut, she often applies a light layer of Distress Ink around the outer edges using an ink blending tool and a foam pad, after the image has been cut out. Her die cut pieces are also cut from Waterford High White HP watercolor paper. Her images and die cuts are painted with Daniel Smith watercolors. For some cards, to add white highlights to the stamped or die cut images, she uses a white gel pen.
