Artist Notes:

Birgit's Watercolor Design Details: To create her watercolor cards, Birgit uses Waterford High White HP watercolor paper. For stamped outline-style images, she stamps them using Archival ink and then paints them in. For solid-style stamped images, such as brushstroke flowers, Birgit colors directly onto her stamp using Caran d'Ache Neocolor II Artists' Crayons, misting with water before stamping. She then paints the background and adds additional shading to the floral stamping using Daniel Smith watercolors. For some cards, to add white highlights to the stamped image, she uses a white gel pen.
